

1. K-LOVE radio serves my family as a resident of the local community by providing family-friendly programming that I can choose to listen to and we do not have to worry about what our children hear.
2. Hundreds of thousands of people voluntarily support K-LOVE radio with their own contributions because they choose to listen to this station. It means that much to them! I understand FM translators used to support K-LOVE could be forced off the air if the proposed rule change is enacted. I am against this proposed change to expand LPFM stations if it means taking priority over current FM translators.
3. I believe that the service provided by K-LOVE is in the public interest and I will continue to support K-LOVE with my annual voluntary contributions, something listeners of other bigger radio stations do not have to do, yet continue to get their radio for free! K-LOVE is vital to bringing family-friendly programming to our communities and I prayerfully ask that the FCC do everything it can to allow K-LOVE to stay on the air! Thank you for this opportunity & for your time! Respectfully.
